A brief 'snapshot' of Lynn's News

In May this year I was licensed as Priest-in-Charge of All Saints Hackbridge and Beddington Corner, which 10 mins away by bike.

I remain a Governor of a Secondary school.

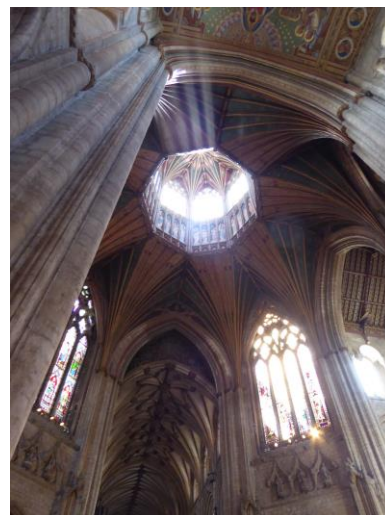

My mum had a serious fall in March and fractured her femur. She made a good recovery but has had more falls with repeated admissions to hospital. Thankfully carers are now involved to support her at home.

Our city break this year was Ely and were able to go to a number of services in the Cathedral and visit Kings Lynn.

I continue to cycle as a main mode of transport and have just bought my second Brompton.

Dave's News

A highlight of 2016 for me was our holiday in Ely, whose cathedral has a unique "lantern" roof. We climbed to the top and looked down — not for the faint-hearted!

We also went back to our usual haunts on

the Isle of Wight, where it was rather cold.

Wishing you a blessed Christmas and a peaceful New Year
